Dear parent/parents of X X,

Your son was one of the many Scouts who attended Camp X this summer. I am pleased to let you know that Camp X is participate in an important study sponsored by the _____ Council of the Boy Scouts. The study is being conducted to help us better understand the summer camp experiences of Boy Scouts and continually improve our camping program.

There are three components to the study: a journal for the Scouts, a survey for the parents, and a survey for the leaders. Only the parents of Scouts who participated in camp this summer are being asked to complete the parent survey. As a parent, your cooperation is very important to the study's success and its usefulness to our council.

We have enclosed a parent survey for you to complete, which should not take more than a few minutes of your time. Please return it to us in the postage-paid envelope that has been provided. We truly appreciate your assistance!

If you have any questions at all please feel free to call _____ at _____.

Sincerely,
